# **CHAINS FOR FOOD INDUSTRY**

Chains with Extended Bearing Pins - comply with ISO 606

#### **APPLICATIONS**

Light conveyor, to transfer parts to different workstations, conveyors, indexing mechanisms and lifting installations.

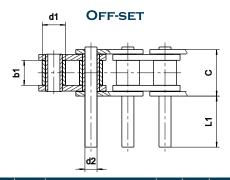

#### **DESPATCH POSSIBLE WITHIN 48 HOURS**

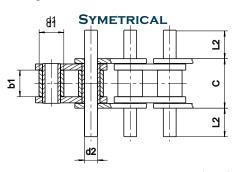

for highlighted references 50M MAXIMUM (consult us)

The main advantage of this type of conveyor chain is that the effort is applied without torque in the center of the chain. These pins are fitted on request according to the chosen position to be specified when ordering.
